## Sure success magic 12th edition pdf

09 Jan The primary intent of this book remains the same as ever, i.e. to act as a ready reckoner for quick revision and provide the postgraduate seat aspirant with an extensive resource of the most frequently asked topics (high yield topics) of all subjects, in each and every PG entrance exam such as NEET PG, AIIMS, PGIMER, JIPMER, DNBCET and FMGE – in fact each and every PG medical entrance exam in India! Image-based questions are a routine feature in PG entrance exams now and this book contains plenty of images to help students face these questions confidently. In addition to the motto of "Maximum Information in Minimum Time", the main motto of this twelfth edition is to be a "No Nonsense, High Yield, Useful and Up To Date" PG Entrance Preparation book. It will give you all the necessary one-liners without compromising on the concepts. Key Features: • Maximum advantage guide for integrated course study. • An up-to-date, high-yield, quick review book. • The most useful book with very high success rate in recent exams, i.e. NEET PG 2019 (>150 questions), JIPMER Nov 2018 (>100 questions), PGI Nov 2018 (>75 questions), and AIIMS Nov 2018 (>75 questions). • This book will give you "Maximum Information in Minimum Time" and is a "No nonsense" book (all topics are important and nothing is unimportant). • Information has been derived from standard textbooks and reference books of all subjects. • Incorporates essence of the topics asked in various exams for the past 15 years. • Each topic contains most of the MCQs that have already been asked in various entrance exams, for example: Psoriasis would contain almost all MCQs that have been asked about this topic in all exams. • Includes many potential future MCQs also. • Author's Notes are provided wherever required for learner's guidance. • Every topic contains Extra Edge points for last minute revision. • High-yield points are highlighted in boxes and within the text to give due importance at the time of examination. • Lots of easy-to-remember Mnemonics are included. • Contains latest treatment guidelines of all 20 subjects. • A special chapter on 'Hot Images' to help students face image based questions confidently in exams. • Includes a chapter on 'Most Recent Exams Roundup' which contains 2019 NEET Points, 2018 NEET PG Points, Central Exams New Points, and One-liners from recent exams (without compromising on the concepts). Thus, this book is "Easy to Read - Easy to Remember - Easy to Recall". • The text is enriched with glossary, attractive flowcharts, easy-to-learn tables, line diagrams, photographs and photomicrographs.
